CERTIFIED MAIL - RETURN RECEIPT REQUESTED

Mr. Paul Dale President Snug Harbor Seafoods, Inc. P.O. Box 701 Kenai, Alaska 99611

Re:

Expedited SPCC Settlement Agreement

Docket No. CWA-10-2017-0149

Snug Harbor Seafoods, Inc.'s Kenai River Dock

Dear Mr. Dale:

On June 16, 2016, the Snug Harbor Seafoods, Inc.'s Kenai River Dock was inspected by the U.S. Environmental Protection Agency (EPA). During the inspection, apparent violations of the Spill Prevention, Control and Countermeasures (SPCC) regulations were found. The specific allegations are identified in the enclosed SPCC Inspection Findings, Alleged Violations and Proposed Penalty Form (Penalty Form).

EPA has authority under Section 311 of the Clean Water Act (CWA) to pursue civil penalties for violations of the SPCC regulations. EPA encourages the expedited settlement approach for minor, easily correctable violations and provides a discounted, non-negotiable settlement offer in lieu of a more formal, traditional administrative penalty action. For additional information on the EPA Expedited SPCC Settlement Agreement policy, please refer to the December 2, 2003, memorandum at http://www.epa.gov/enforcement/documents/policies/expeditedsettlements-guid120203.pdf.

The enclosed Expedited SPCC Settlement Agreement (Expedited Settlement Agreement), if executed by both parties, will be issued in accordance with 40 C.F.R. Part 22, "Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits."

You may resolve the cited violations quickly by **correcting the cited violations**, mailing a certified check for the penalty as described below, inserting in the space provided on the Expedited Settlement Agreement the estimated cost for correcting the violations, and signing and returning the original Expedited Settlement Agreement to EPA **within 30 days** of your receipt of this letter.

In addition, please provide documentation such as photographs, an updated SPCC plan or other relevant materials showing that your facility has met the requirements and has come into compliance with 40 C.F.R. Part 112. As previously stated, as a condition of the settlement, you must correct the violations within 30 days of your receipt of this letter. EPA, at its discretion, may grant one 30-day extension to

come into compliance if you demonstrate that it is technically infeasible or impractical to achieve compliance within 30 days. A request for a 30-day extension should be sent to:

Rick Cool, Compliance Officer
U.S. Environmental Protection Agency
1200 Sixth Avenue, Suite 900 (M/S OCE-101)
Seattle, Washington 98101
cool.richard@epa.gov

The Expedited Settlement Agreement, when executed by both parties, is binding on both you and the EPA. Upon receipt of the signed document and a certified check for the amount of the penalty, EPA will take no further action against you for the violations cited in the Expedited Settlement Agreement. EPA will neither accept nor approve the Expedited Settlement Agreement if returned more than 30 days after the date of your receipt of this letter unless an extension has been granted by EPA.

If you do not pay the penalty and return the Expedited Settlement Agreement within 30 days of your receipt of this letter, unless an extension has been granted by EPA, the Settlement Agreement will be automatically withdrawn without prejudice to EPA's ability to file an enforcement action for the cited violations. Failure to sign and return the Expedited Settlement Agreement and pay the penalty within the approved time does not relieve you of the responsibility to comply fully with the SPCC regulations, including correcting the violations that have been specifically identified in the Penalty Form. If you decide not to sign and return the Settlement Agreement and pay the penalty, EPA can pursue more formal enforcement measures to correct the violation(s) and seek penalties of up to \$37,500 per day of violation.

You are required in the Expedited Settlement Agreement to certify that you have corrected the violations and paid the penalty. As noted above, you are also required to document the corrections you have made by providing adequate documentation addressed to the above referenced Compliance Officer in Seattle.

The payment for the penalty amount <u>must</u> be in the form of a certified check payable to the Oil Spill Liability Trust Fund, <u>with EPA and the Docket Number of the Expedited Settlement Agreement on the certified check</u>. The Docket Number (CWA-10-2017-0149) is also located at the top of the left column of the Expedited Settlement Agreement. The certified check is to be sent by <u>certified mail</u> to:

U.S. Environmental Protection Agency Fines and Penalties Cincinnati Finance Center P.O. Box 979077 St. Louis, Missouri 63197-9000

You are also required to send a <u>copy of the certified check</u> and the <u>original Expedited Settlement</u> Agreement to:

Rick Cool, Compliance Officer U.S. Environmental Protection Agency 1200 Sixth Avenue, Suite 900 (M/S OCE-101) Seattle, Washington 98101 You should retain a copy of the Expedited Settlement Agreement and of the penalty payment. EPA will forward you a copy of the fully executed Expedited Settlement Agreement.

By terms of the Expedited Settlement Agreement, and upon EPA's receipt of the signed Expedited Settlement Agreement and a certified check for the amount of the penalty, you waive your opportunity for a hearing pursuant to Section 311 of the CWA. EPA will treat any response to the proposed Expedited Settlement Agreement, other than acceptance of the settlement offer, as an indication that the recipient is not interested in pursuing an expedited settlement of this matter.

If you have any questions, please contact Rick Cool, Compliance Officer, at (206) 553-6223.

Sincerely

Edward J. Kowalski

Director

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

REGION 10, 1200 6th Avenue, Suite 900, Seattle, Washington, 98101

EXPEDITED SPCC SETTLEMENT AGREEMENT

DOCKET NO. CWA-10-2017-0149

On: June 16, 2016

At: Snug Harbor Seafoods, Inc.'s Kenai River Dock, Kenai, Alaska

Owned or operated: Snug Harbor Seafoods, Inc. (Respondent)

An authorized representative of the United States Environmental Protection Agency (EPA) conducted an inspection to determine compliance with the Oil Pollution Prevention (SPCC) regulations promulgated at 40 CFR Part 112 under Section 311(j) of the Clean Water Act (33 U.S.C. § 1321(j)) (the Act), and found that Respondent had violated regulations implementing Section 311(j) of the Act by failing to comply with the regulations as noted on the attached SPCC INSPECTION FINDINGS, ALLEGED VIOLATIONS AND PROPOSED PENALTY FORM (Form), which is hereby incorporated by reference.

The parties are authorized to enter into this Expedited Settlement under the authority vested in the Administrator of EPA by Section 311(b) (6) (B) (i) of the Act, 33 U.S.C. § 1321(b) (6) (B) (i), as amended by the Oil Pollution Act of 1990, and by 40 CFR § 22.13(b). The parties enter into this Expedited Settlement in order to settle the civil violations described in the Form for a penalty of \$2,275.00

This settlement is subject to the following terms and conditions:

EPA finds the Respondent is subject to the SPCC regulations, which are published at 40 CFR Part 112, and has violated the regulations as further described in the Form. The Respondent admits he/she is subject to 40 CFR Part 112 and that EPA has jurisdiction over the Respondent and the Respondent's conduct as described in the Form. Respondent does not contest the Inspection Findings, and waives any objections it may have to EPA's jurisdiction. The Respondent consents to the assessment of the penalty stated above. Respondent certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that the violations have been corrected and Respondent has sent a certified check in the amount of \$2,275.00, payable to the "Oil Spill Liability Trust Fund" to: "U.S. Environmental Protection Agency, Fines and Penalties, Cincinnati Finance Center, P.O. Box 979077, St. Louis, MO 63197-9000". Respondent has noted on the penalty payment check "EPA" and the docket number of this case, "CWA-10-2017-0149."

Upon signing and returning this Expedited Settlement to EPA, Respondent waives the opportunity for a hearing or appeal pursuant to Section 311 of the Act, and consents to EPA's approval of the Expedited Settlement without further notice.

If the Respondent does not sign and return this Expedited Settlement as presented within 30 days of the date of its receipt, the proposed Expedited Settlement is withdrawn without prejudice to EPA's ability to file any other

enforcement action for the violations identified in the Form.

After this Expedited Settlement becomes effective, EPA will take no further action against the Respondent for the violations of the SPCC regulations described in the Form. However, EPA does not waive any rights to take any enforcement action for any other past, present, or future violations by the Respondent of the SPCC regulations or of any other federal statute or regulations. By its first signature, EPA ratifies the Inspection Findings and Alleged Violations set forth in the Form.

This Expedited Settlement is binding on the parties signing below, and is effective upon EPA's filing of the document with the Regional Hearing Clerk.
